ORLEANS COUNTY FLOOD RISK REVIEW (FRR) MEETING

Wednesday, November 29, 2017 | 10:00 A.M. - 12:00 P.M. (ET)

**Orleans County Office of Emergency Management
14064 West County House Road
Albion, NY 14411**

OVERVIEW

The Region II office of the Federal Emergency Management Agency (FEMA) initiated a coastal study on the Great Lakes, affecting shorelines in Chautauqua, Erie, Niagara, Wayne, Monroe, Orleans, Cayuga, Oswego, and Jefferson counties. The project's goal was to revise outdated maps to reflect current coastal flood hazards along the Great Lakes with advances in NFIP policies, technologies, and new methodology. Work maps, which will show updated flood risk, will be made available during the meeting for the following communities:

Orleans: Town of Carlton; Town of Kendall; Town of Yates

AGENDA

- Introductions
- Value of updated flood maps for your community
- Review updated flood-risk data and important next steps in the Risk MAP process
- Mitigation opportunities in your community
- Working session to review maps
